

LED Power Supply Specification Worksheet

Name: _____
 Company: _____
 Address: _____ City: _____ State: _____ Zip: _____
 Phone / Fax: _____ Email: _____
 Project Name: _____ Estimated Quantity Needed / Year: _____
 Prototype Needs / Date: _____ Production Needs / Date: _____
 Target Price: _____ Website: _____

TARGET DESIGN SPECIFICATIONS

Input Voltage Range - NOM: _____ MIN: _____ MAX: _____ VAC

Constant Current: YES Constant Voltage: YES

Efficiency: _____ %

If Constant Current fill out this section below:

Wattage: _____ Constant Current: _____ A
 Output Voltage Range: _____ VDC to _____ VDC

If Constant Voltage fill out this section below:

Wattage: _____ Constant Voltage: _____ V
 Output Current Range: _____ A to _____ A

Case Operating Temperature Range - MIN: _____ MAX: _____ °C

Ambient Operating Temperature Range - MIN: _____ MAX: _____ °C

Desired Case Size - W: _____ L: _____ H: _____ Inches

Agency Requirement? CSA/UL CE

Special Shipping Package Requirements? _____

Other Considerations/Additional Outputs: _____
